Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How do you want your child to feel about math? Relaxed, curious, eager, adventurous, and deeply connected? Then Moebius Noodles is for you. It offers advanced math activities to fit your child's personality, interests, and needs. Imagine your baby immersed in mathematics as a mother tongue spoken at home. Imagine your toddler exploring the rich world around us while absorbing the mathematics embedded in every experience. Imagine your child developing a happy familiarity with mathematics. This book helps you make these dreams come true. Can you follow your child on this journey toward a wondrous math future, without getting lost? Can you go beyond your own math limits and anxieties to guide and inspire your child? Yes! And you will not be alone. This book invites you to join a community that will answer your questions, give you ideas, and support you along the way. A five-year-old once asked us, Who makes math? and jumped for joy at the answer, You! Moebius Noodles helps you take small, immediate steps toward this sense of mathematical power. You and your child can make math your own. Together, you can make your own math.
