Science and Technology in the National Interest: Ensuring the Best Presidential and Federal Advisory Committee Science and Technology Appointments

By Committee on Ensuring the Best Presidential and Federal Advisory Committee Science and Technology Appointments, Committee on Science, Engineering and Public Policy, National Academy of Sciences, Policy and Global Affairs, National Academy of Engineering

National Academies Press. Paperback. Book Condition: new. BRAND NEW, Science and Technology in the National Interest: Ensuring the Best Presidential and Federal Advisory Committee Science and Technology Appointments, Committee on Ensuring the Best Presidential and Federal Advisory Committee Science and Technology Appointments, Committee on Science, Engineering and Public Policy, National Academy of Sciences, Policy and Global Affairs, National Academy of Engineering, In 2004, an ad hoc committee was charged with preparing this third report examining the most senior S&T appointments to federal government positions and updating the accompanying list of the most urgent S&T presidential appointments. Sufficient changes have occurred since the National Academies 2000 report on presidential appointments--including the 2001 terrorist attacks, the anthrax deaths, the reorganization of homeland-security activities in the federal government, new developments in S&T, and concerns about the politicization of S&T decision making and advice--to warrant this new edition. In contrast with previous reports on the subject, this one covers not only presidential appointments to top S&T leadership positions but also the appointment of scientists, engineers, and health

Reviews

This composed publication is fantastic. I was able to comprehend everything using this composed e book. It is extremely difficult to leave it before concluding, once you begin to read the book.
