Sloan, Esq., Of the Salt Lake Herald, Companion Essays A broad field is embraced in this subject. Naturally it divides into several themes, each, however, necessary to form a perfect whole These themes are distinct, as each limb is a distinct portion of the body, but as absolutely necessary as each member is to the perfect body. It is not a question of what Utah has been, but what she is and what she will become; it is not what obstacles have been surmounted, but what the efforts of the future will realize. That which is desired to be made clear is - what inducement does Utah offer to those in search of permanent homes? and what are her attractions for tourists? The former depends on her natural resources, as offering a permanent basis for varied industries; upon her government as insuring the peace and protection of her inhabitants, and upon the consistency of the temperature and elements as recommending her climate for healthfulness and for the uninterrupted prosecution of labor. The latter rests upon natural features; the grandeur of the mountains, the sparkling of the streams, the beauty of the lakes, the cool of the canyons, the phenomena of mineral springs; and upon those attractions which are the result of civilization, as presented in broad streets, fruitful farms, peaceful homes, in lucrative manufactures and mining, in accessibility to different points of interest, in security of person, and in climatic influences. As a foundation of all industries and arts, agriculture...
