This book spells out the rules in 11 easy-to-follow steps, each accompanied by interactive exercises. Readers will learn to: set objectives before writing; customize the talk for each audience; conquer stage fright; cultivate a reputation as an expert; develop themes for each presentation; organize material in a memorable manner; edit for best effect; project a professional "platform image" through personality, voice and clothes; motivate audiences to change their actions and attitudes; involve listeners by using humour, heart and audience participation exercises and deal with problems and pitfalls ranging from poor staging and faulty audiovisual equipment to hecklers and questions of ethics.
