Packer called, Haunting, deeply pondered, and beautifully written, is changing lives. A Small Cup of Light is the story of an unexpected encounter with God in the desert of despair. Several years ago, Ben Palpant suffered a sudden and massive health collapse that crippled many of his faculties nearly overnight. That experience prompted him to ask the hard questions, like, What shall we do when confronted with the ache of our suffering in the presence of a living God? Palpant's story is proof that a relationship with God can be more intimate not in spite of suffering, but because of suffering. A Small Cup of Light is a bold invitation to face God in the darkness. It is a rousing call to the human spirit, offering hope to the hopeless and a song to the suffering.
