Meet wild animals from each continent: lions, tigers, bears and more! Begin by stapling the reproducible animal cover (4 to choose from!) to sheets of blank paper and cut out to create a shape writing book. Have the students write and illustrate a page each day they learn about a new animal! The students can also color, cut and create their very own paper bag puppets: a kangaroo, panda, fox or rhino. We include a mini-storybook about mammals that the students can read themselves! Then have them make an art figure of their favorite animal, with legs that actually move. They can choose from a camel, an elephant, a lion, a coyote, and many others. There are flip booklets to teach which animals are mammals, birds or reptiles! Other amazing animal activities include a paper plate tortoise, a lion number line, animal bookmarks, word search, and favorite animal graph.
