Verso Books. Paperback. Book Condition: new. BRAND NEW, Broonland: The Last Days of Gordon Brown, Christopher Harvie, "Broonland" is a scathing and witty indictment of the architect of New Labour, Gordon Brown. Chris Harvie shows how Gordon Brown came to preside over a bankrupt country on the brink of economic and political breakdown. Taking us on a tour of Britain over the last decade, he explores the ever-widening disparity between rich and poor, and how manufacturing was replaced by 'retail, entertainment and recreation' - otherwise known as shopping, gambling and drinking. Looking at how a deregulated, casino economy veered wildly out of control, and how Britain's public utilities and industries were privatized and sold off to the highest bidder, "Broonland" is both an essential anatomy of New Labour's bankrupt policies and a caustic portrait of a decade that went from boom to bust.
