In pursuance of this plan, the southern portion of the Empire, in one particular feature of progress, is treated of in the present volume. Canton - or Kwong-Tung, as it is pronounced by the natives - means literally the Broad East; and Kwong-Si the Broad West. The title of the book indicates the nature of its contents. The Dragon is the national emblem of China; it plays an important part in political, literary, and social life. The throne of China is the Dragon Throne; the national ensign is the yellow flag with a blue Dragon; the scholar leaps the Dragon Gate when he passes a successful examination. The Dragon is seen in the earth and in the sky. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
