

## The Pointblank Directive: The Untold Story of the Daring Plan that Saved D-Day (Paperback)

By L. Douglas Keeney

Bloomsbury Publishing PLC, United Kingdom, 2014. Paperback. Book Condition: New. 201 x 127 mm. Language: English . Brand New Book. Where was the Luftwaffe on D-Day? The Pointblank Directive answers this question using extensive new research that creates a portrait of perhaps the last untold story of Operation Overlord. Following a year of unremarkable bombing against German targets, General Henry H. Hap Arnold, commander of the US Army Air Forces, placed his lifelong friend General Carl A. Tooe Spaatz in command of the strategic bombing forces in Europe, and his protege, General James Jimmy Doolittle, in command of the Eighth Air Force in England. For these fellow aviation strategists, he had one set of orders - sweep the skies clean of the Luftwaffe by June 1944. Spaatz and Doolittle couldn't quite do that but they could clear the skies sufficiently to gain air superiority over the D-Day beaches allowing the Allies to establish their vital foothold on the beachheads. Their ambitious plan was called Pointblank.
