DOWN EAST BOOKS, China, 2006. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book. Robin Hansen can justifiably claim to be the person who started the groundswell of interest in roots knitting patterns for mittens. When Fox Geese Fences: A Collection of Traditional Maine Mittens was published a generation ago, it was an instant success, and nary a knitter above the age of thirty has not heard of it. It was followed by a second, equally inspiring collection: Flying Geese Partridge Feet: More Mittens from Up North Down East. Favorite Mittens is a compilation of some of the most popular traditional designs from Robin s groundbreaking first two books, presenting these tried-and-true patterns in a new format, with step-by-step directions revised and updated for ease of knitting, thanks to the helpful feedback Robin has gotten from the knitters who flock to her workshops all around the country.
