Not illustrated. 1844 Excerpt: .the authority of the duke of York ceased in 1680, a year rendered memorable also by the arrival in the province of the first large body of Quakers, who settled and built Burlington and Salem. In 1682, the whole province passed under the jurisdiction of Penn and his associates, bat the ruinous and every where distressing interference of the infatuated Stuarts, and the claims to jurisdiction made by New York, operated to retard the prosperity of New Jersey. These evils were not removed, though mitigated, until 1702, when the two fragments were re-united, and peace, order and security followed. This salutary change was effected by making the province a royal government; but it was not until 1738, that New Jersey was ruled by a separate government from that of New York. In the revolutionary struggle, and in the incipient resistance to the oppressive measures of Great...
