HOW TO FLY A PLANE (PAPERBACK)

To get **How to Fly a Plane (Paperback)** PDF, make sure you refer to the hyperlink under and download the document or have accessibility to additional information which might be related to HOW TO FLY A PLANE (PAPERBACK) book.

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.There are many people who have wondered what it must be like to fly an aircraft. Perhaps they have sat in the passenger cabin of an airliner on the way to a holiday destination and imagined what the aircrew did to fly the plane from A to B. Unfortunately, since 9-11 it has become virtually impossible to go into an aircraft cockpit as a member of the public. But it is important to realise that every pilot has to start his or her training somewhere and that somewhere is a small training aircraft. This applies to pilots flying military fighters to jumbo jets. And although these aircraft are very different in size and performance, the basics of flying a plane are very similar. So if you want to really know how to fly a plane, you need to start on a small training aircraft like every other pilot at the beginning of their career. This book will take you through the basics of every stage of a typical flight - from the pre-take-off checks to taxiing, take-off, climb, flying manoeuvres, navigation, flying on instruments and finally, making a safe landing. If you ve ever wanted to know how to fly a plane - this is your chance.
