Reviews

It is easy in study better to understand. Of course, it is actually play, nonetheless an amazing and interesting literature. I am quickly could possibly get a satisfaction of reading through a published ebook.

(Ms. Lucinda Koelpin)

RAISING LIONS

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 202 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. One of the best books on child-rearing I've ever read. Joe Newman describes a cultural shift that has reinforced anxiety and behavior disorders in children by negating parental authority. Even more important, he provides specific, non-punitive ways for parents to help their kids by taking back their authority. Filled with examples and experiences from the author's own life as a child with A. D. H. D., the book is a treasure-trove of useful information. Barry Michels, psychotherapist and New York Times bestselling author of *The Tools*. This book is packed with useful information. It is an insightful and practical guide for managing children. I would recommend it to any parent. L. Alan Sroufe, Professor Emeritus Ph. D. University of Minnesota Current childrearing techniques seek to develop children who are confident, self-assured and unafraid to speak their minds—lions instead of lambs. Although largely positive, this shift has brought with it some very serious problems in our children's behavior. Without going back to an authoritarian model, Joe Newman has developed new ways of helping children develop the ability to self-regulate without undermining their confidence and individuality. *Raising Lions* challenges us to re-examine our interactions and relationships with children, re-think the root causes of behavior problems and find new ways to support healthy, happy development. For over 20 years Joe Newman has worked with children, parents, teachers and administrators to help them understand and improve child behavior. This item ships from La Vergne, TN. Paperback.
