Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Humor is one of the most creative and noblest features of human existence. It is always welcome and enjoyable. Humor disseminates the seeds of laughter which is one of the most effective and least expensive of medicines. It provides a great source of relief and relaxation from stress which we experience in our daily life. The importance and curative feature of laughter is universally recognized and laughter therapy is very popular these days all over the world. A humorous human being radiates happiness to all others around him, particularly those who have a sense of humor. He is liked and loved by a large circle of friends. This book is fiction. It depicts the attitudes, and actions of an executive who equated serendipity to genius. It is written deriving inspiration from the outbursts of laughter sprouting from quixotic behaviors of individuals working in various positions. The anecdotes and observations on human behavior are mostly the products of original creative thinking. The contents are intended to be a comedy of errors and food for...
