Since the war came and the bombs fell, Hatfork, Wyoming, has been a broken-down, mutant-ridden town. Young Chaos lives in the projection booth of the abandoned multiplex cinema, trying to blot out his present, but unable to remember his past. Then, over a can of dog food, the local tyrant Kellogg reveals to Chaos that those bombs never actually fell. The truth, in fact, is a little more complicated. So Chaos gets behind the wheel of an automobile and, accompanied by a fur-covered mutant female, sets out onto the empty highway for a journey to the edge of his American nightmare: in search of a missing identity and a stolen love.
