The creative illustrations are by Beano and Dandy artist D.S. Sutherland. Parents will find Davy s Trips suitable for 7-10 year olds, who are learning to read by themselves. The stories are also ideal as bedtime stories for 4-6 year olds, sending them off to sleep happy and contented, with magical images in their minds. On each trip, Davy learns some useful geography and history facts about the destination he is travelling to. Kids will enjoy the adventures, whilst learning something at the same time! During the stories, a question is asked, What Will Davy Do Next? Children may then use their imagination to predict what is going to happen. The answers they come up with may be clever, funny, or just plain stupid, but it will really get them interactively involved in the adventure!.
