Vivid Publishing, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Do you ever feel like you re suffocating at work? Is it hard to speak up and stand up for what you believe in? Are your colleagues operating without a vision and at cross-purposes? Are you failing to project the right image, the real you, the person you want to be? Then you need to learn how to live and breathe your values amid organisational chaos. This book will teach you how to: - Boost your confidence, speak up and embrace the idea of challenging the status quo. - Develop a confident attitude and increase your awareness of theory and practice in organisations. - Capitalise on your unique value proposition: you. - Step outside your comfort zone and reap the success you deserve. - Build successful professional and social relationships. This is a practical, easy-to-follow book, including tips that you can adapt to the dynamics of your organisation. At its core is the premise that the freedom to be oneself within the corporate world is not only beneficial to individuals but positively impacts the bottom line. Rather than focusing on one specific role, this book holistically addresses whole organisations and the relationships between people, systems and products. It can help you whether you are an employee, a manager or a leader. By encouraging organisations to embrace a workplace culture that allows people to challenge received wisdom, this book teaches each and every one of us how to shine with confidence and live by the unique values that make us who we are.
