Reviews

A fresh e book with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. Its been designed in an extremely basic way and is particularly just soon after i finished reading this ebook where in fact altered me, change the way i really believe.

THE COMPLETE BOOK ABOUT DODGEBALL (PAPERBACK)

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 222 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.If you picked up this book then you are one of two types of people. You are either a fan of dodgeball and are curious to learn more or you hate dodgeball and can not believe that anyone would actually write a book about it. Which ever type you are you will find useful information in the rest of the book to support your position. I am a Physical Education and Health teacher in Columbus, Ohio. I have been teaching for 14 years, and have taught all age groups from kindergarten to seniors. I received my Bachelor s Degree from Capital University and currently I am working on receiving a Master s Degree from Ashland University in Sport and Exercise Sciences. I have played dodgeball with all age groups and have had nothing but success. I am a firm believer that any game-properly structured-can be a positive experience for the students, parents and teacher. Bottom line on dodgeball is that kids will play the game with more enthusiasm than any other organized game. As a professional educator, I am will to do whatever it takes to get children moving for fun and fitness benefits. If dodgeball did not work I would not use it. As you read this book you will find some history and theory related to dodgeball theory and a whole lot of different games. I will state up front that what is written in this book is nothing more than my opinion (shared by my fellow teaching partners) and should be viewed as such. I tried to set the book up so that it would an easy format to follow and humorous to read. I...
