Reviews

Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).

(Prof. Lawson Stokes IV)

ENTERPRISE COMPLIANCE MANAGEMENT (ECM): BRINGING INFLUENCES TOGETHER (PAPERBACK)

[DOWNLOAD](#)

iUniverse, United States, 2004. Paperback. Book Condition: New. 223 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Most of what we do is driven by an effort to be compliant. Hardly a second goes by when we are not complying with some rule, regulation, standard, order, etc. We stop for traffic signals, complete tax forms, credit applications, and so on. Business further complicates matters by adding another layer of compliance requirements to our lives. These include, just to name a few: standards, contracts, regulations, legislation, management requirements and goals, data and best practices. The challenge is to identify which of these requirements are applicable to the business and translate those needs into compliance products which are created and managed by processes within the operation of the business. Enterprise Compliance Management (ECM) focuses on a holistic, top-down, business oriented view of compliance. The guide discusses a common sense method for the creation and management of compliance on an enterprise basis with the use of integrated toolsets. Email for more information.
