Reviews

I just began reading this pdf. It is actually writter in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Jensen Bins)

THE THING IN THE BASEMENT

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, The Thing in the Basement, Michaela Morgan, The Thing in the Basement is an atmospheric mystery story with a school setting. When the boy arrives at his new school everything is strange and different. The big, Victorian building has many storeys and a basement. As he passes the basement he notices a smell of heat and soot and burning. He looks down there and suddenly there's bang and a flash, a roaring sound. He knows there's something down there. Something nasty. something monstrous. And as the day goes on, all the evidence leads to suggest that the 'something' is a dragon.
