The black white one is intended as an affordable option for those who simply wish to read the contents. The full-colour one is geared to anyone with particular interest in the examples exhibited. The primary intent of this work is to provide a comprehensive look at how corporal punishment (CP) was formerly deployed within the Canadian school system: from a general history of school CP to the invention, adoption, implementation, policy and regulation of use, and the ultimate abolition of the Canadian regulation school strap. Over one hundred former educators were interviewed to reconstruct actual trends in practice and procedure. Also included is a thorough look at manufacturers, suppliers, models, specifications and estimated market values for those interested in acquiring a real piece of educational history. This book discusses how our school CP practice was necessarily interwoven with world, judicial and parental CP influences. Included is a detailed study of one school punishment book to answer the questions of whether its application delivered any...
