

## Post-traumatic Stress

By Stephen Regel, Stephen Joseph

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Post-traumatic Stress, Stephen Regel, Stephen Joseph, Post-traumatic stress and its associated disorders, including Post-traumatic Stress disorder (PTSD) can develop after exposure to one or more terrifying events. It is a severe and ongoing emotional reaction to an extreme psychological trauma, such as a death or a threat to life, serious physical injury, or threat to physical and/or psychological integrity. The book begins with a description of PTSD and other related problems often experienced by survivors, and a short history of developments in the field. Information on assessment, theory, research findings, and treatment procedures are provided. Further chapters reflect new theoretical thinking and directions in the field of trauma. It discusses the types of support that should be provided at an early stage for people and families affected by a sudden traumatic bereavement (e.g., homicide), and presents this information in a practical and accessible way. Though mainly intended for sufferers of post-traumatic stress, and their families and friends, it will also be of interest to the general reader. The book will also be an invaluable resource for professionals, particularly those who want to know about the psychological impact and management of trauma...

### Reviews

*This ebook is worth purchasing. It is written in straightforward words and not hard to understand. You will not feel monotony at any time of your respective time (that's what catalogs are for about in the event you ask me).*

-- Eileen Kling I

*A brand new ebook with a new perspective. Better than never, though I am quite late in starting reading this one. I found out this ebook from my dad and I advised this publication to find out.*
