SACRED SITES AND THE COLONIAL ENCOUNTER: A HISTORY OF MEANING AND MEMORY IN GHANA

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Sacred Sites and the Colonial Encounter: A History of Meaning and Memory in Ghana, Sandra E. Greene, To what extent did colonialism affect the terms by which the colonised understood the material and spiritual landscapes in which they lived? What history, memories, and meanings survive from the colonial encounter and before? In Sacred Sites and the Colonial Encounter, Sandra E. Greene explores the material and spiritual meanings that the Anlo-Ewe people of Ghana once associated with particular bodies of water, burial sites, sacred towns, and the human body itself and brings these meanings and memories into contemporary context for the Anlo. As a key to understanding the Anlo world view, Greene reconstructs a vivid and convincing portrait of the human and physical environment of 19th century Anlo. Drawing on her extensive fieldwork, early European accounts, and the archives and publications of the Bremen Missionary Society, Greene charts how these ideas changed following contact with British colonisers and German Pietist missionaries who discouraged spiritual interpretation of these sites in favour of more scientific and regulatory views. Anlo responses to these colonialist challenges to their ways of organising physical space involved considerable resistance and, over time, selective acceptance of aspects of new beliefs. The result was that the Anlo began to attribute as never before, more varied and sometimes contradictory meanings to the body and the spaces they inhabited. According to Greene, this selective acceptance explains why certain sites have retained earlier meanings while others have lost their former spiritual significance and are no longer remembered as sacred. The fate of particular meanings and memories have determined the ways in which the Anlo, as individuals and as a community, have reconfigured their identities in the face of their colonial experiences. Where new meanings...
