

The Futurist: The Life and Films of James Cameron (Paperback)

By Rebecca Keegan

Random House USA Inc, United States, 2010. Paperback. Book Condition: New. Reissue. 206 x 134 mm. Language: English . Brand New Book. With the release of Avatar in December 2009, James Cameron cements his reputation as king of sci-fi and blockbuster filmmaking. It's a distinction he's long been building, through a directing career that includes such cinematic landmarks as The Terminator, Aliens, The Abyss, and the highest grossing movie of all time, Titanic. The Futurist is the first in-depth look at every aspect of this audacious creative genius--culminating in an exclusive behind-the-scenes glimpse of the making of Avatar, the movie that promises to utterly transform the way motion pictures are created and perceived. As decisive a break with the past as the transition from silents to talkies, Avatar pushes 3-D, live action, and photo-realistic CGI to a new level. It rips through the emotional barrier of the screen to transport the audience to a fabulous new virtual world. With cooperation from the often reclusive Cameron, author Rebecca Keegan has crafted a singularly revealing portrait of the director's life and work. We meet the young truck driver who sees Star Wars and sets out to learn how to...
